Each app has its own Product

Description page, reviews and ratings. You can decide whether to make your app free or paid, and how much you want to charge. You may want to modify your app's product description, reviews and ratings after publishing. You can edit each individually, or edit all of them in bulk. You can find our detailed documentation for developers [here](#), and for our FAQs [here](#). App Reviews and Ratings App Description The TAP readers and subscribers

app is a fast, easy way to read the newspapers of your choice on the move, via your tablet or mobile phone. There are over 200 TAP mobile newspapers in over 40 languages. This app lets you read them. A mobile edition is a special version of a newspaper, which can be accessed on the move. It gives you the news, information, features and entertainment content of a regular newspaper, but is accessible on your mobile device. A mobile

edition also gives you access to some of the content that the regular edition does not contain, including special reports, obituaries, horoscopes, interactive map and agenda. Currency

System Requirements:
