

us. At some point in our life, we've all sat down to watch a DVD or a movie, and we've been impressed by the work of the main director, and even the cinematographer. Without question, these details are often enough to draw us into a film. Now, you can easily catch the most important details about any film from the Internet Movie Database or from IMDb. What you can do with My Movie Collection Collect movies and films by year, by release date, by genre, by popularity, by rating, by director, by country, by cast and by crew. Also, select the genres of the movies. Select the movies you want to include in the database. Filter your results. Organize the results as you like. Select a favorite movie and see the information it holds. Display the results in a grid or a list. Download movie posters or screenshots. KEYMPRO Overview: Home entertainment is still a big part of most of our daily lives. Most of us like to watch movies and listen to music on the go. Whether we are at home or on the move, we're always looking for something new to entertain us. At some point in our life, we've all sat down to watch a DVD or a movie, and we've been impressed by the work of the main director, and even the cinematographer. Without question, these details are often enough to draw us into a film. Now, you can easily catch the most important details about any film from the Internet Movie Database or from IMDb.
